This memo serves two purposes, the first is to document that the state has no additional comments on the 209 Draft TS Report, the 35 Draft Work Plan, and the 334 Draft Final PRAP and FS for Sites 9 and 19.

The second purpose is to try and communicate with Rich Stryker via Email. To do this would you please forward this message to him to see if he receives it. For some reason he can't receive my messages directly.
